

August 11th, 2020

Dear HAPA Families, Scholars and Staff,

We have been hard at work getting ready for the start of the school year! While we will again be learning virtually/from home, our hope is that our community's health outlook improves to the point where we can be together with our students soon. **Right now, we are expecting to be fully virtual/at home from September 1st, 2020 through November 6th, 2020.** HAPA will communicate any changes in a timely manner.

Learning happens all around us, every day! While of course our preference is for instruction to be in the classroom, our teachers and staff are excited to kick off a great school year. We will not only persevere, we will THRIVE. By working together, our scholars will continue to be nurtured, pushed and supported as they continue their academic journey at HAPA.

To ensure a strong start to the 2020-2021 school year, we have a few important dates to share:

Monday August 17th and Tuesday August 18th: Chromebook and Technology Pick Up!

Food Distribution Changes

HAPA has been honored to provide nutritional assistance to our families. Please note that as our staff returns to school, the food distribution times will change. Starting on August 18th, the food distribution will run from 3:00 pm – 5:00 pm. The following dates are impacted by this change: August 18th, 20th, 25th and 27th. The last day of the food distribution is August 27th, 2020. In the future, if HAPA can continue to serve as a food distribution site, dates will be communicated.

Canceled/Postponed Sports/Athletic Activities

Due to the COVID-19 pandemic, HAPA has canceled or postponed all sports/athletic activities and all after school programs until further notice.

As I have said before, the love we have for our scholars and our deep commitment to their learning will never waiver, even as this pandemic continues to disrupt our normal way of life and schooling. Parents, teachers and staff – we are all in this TOGETHER. Our scholars will THRIVE because we care for and support one another. If there is anything we can do to help your family start the school year off right, please give us a call. Our team is ready to help!

Thank you again for your partnership and continued support.

Forever Forward,
